Selling of Mutton at Jog

Serial No.

6 The President, Dt Board, Shimoga has sold the right to sell mutton at Jog for the period from 1-11-38 to 30-6-1939 and has requested the Chief Electrical Engineer to select a place for the purpose. The Chief Electrical Engineer has written to Govt that it is necessary to keep undesirable persons beyond the contagious distance from the works of the Department and that the entire area should be under their control and requests that orders be issued to the President, Dt Board, Shimoga not to sell the right to sell mutton in the Jog area and to cancel the one already awarded.

7 Under Section 55 of the Dt Boards Act, the selling of mutton requires license from the Dt Board, but this is subject to the provisions of the Village Panchayet Act (Vide Section 30) As per G.O. No. L 4666-88/ FB 26-26-137 dated 19-1-27 (Vide page 141 of the Village Panchayet Manual), the right

~~appointment~~ control over this trade has been transferred to the Village Panchayet and the President, Dt Board, Shimoga does not seem to have an order in having sold the right to sell mutton at Jog. The G.O of 19-4-27 referred to above [Rule 14(1)] states that the Panchayets may be advised to issue licenses only if the places are suitable.

It will be therefore seem that if the existing provisions are enforced the selling of mutton at Jog may be prevented, as requested by the Chief Electrical Engineer

It is stated that the President, Dt Board Shimoga has no control over the electric colony established at Sivasamudram & Shimshapura. The Chief Electrical Engr requests orders having complete control near the Jog Project in order to carry out the various works at the place. On the analogy of the practice obtaining in the Mysore Dist, the Chief Electrical Engrs request may perhaps be complied with, which is also in conformity with the provisions of the V.P. Act.

As regards Shimoga, it is stated that the area belongs to the Forest Department and that it has since been handed over to the Electrical Department which is having complete control over the area as in the case of Sivasamudram. He further states that sanction of Govt has not been obtained for getting control over these areas but that it will be done if now, if deemed necessary. 15 As the President, Dt Board, Shimoga has sold the right of selling mutton at Jog and as it is necessary that ~~present this are factors~~ Electrical Department should have control over the, the Chief Electrical Engineer requests that complete control over the area be vested in him. He however states that he has permitted the vendors to carry on the sale for the period for which he has purchased the right to sell mutton with a view to avoid inconvenience to the Dt Board

His Highness the Maharaja of Mysore,
Electrical Department, Bangalore.

Sir,

I have the honour to forward herewith a copy of letter No.C.82/LB.38-39 dated 12th December 1938 from the President, District Board, Shimoga District, Shimoga to the Executive Engineer, Jog Falls Project, Jog, intimating that the right of selling mutton, etc., at Jog was sold by public auction by the President, District Board, Shimoga and requesting this department to select a place for opening the stall and to state that the procedure adopted by the District Board, auctioning such things will be in conflict with the local authorities. The area now required by this Department for the project works is shown in the map herewith attached. The forest department who have control over this area have already been requested to hand over the area marked to this Department and a similar complete control in respect of other matters is essential in order to carry out the various works of the project and also to keep undesirable persons beyond the contageous distance from our works.

Copy of the letter No.C/82/L.B. 38-39, dated 12th December 38, from the President, District Board, Shimoga District, Shimoga, to the Executive Engineer, J.F.P., Jog.

I have the honour to state that the right of selling mutton at Jog from 1-11-38 to 30-6-39 has been sold by public auction at Sagar on 20-10-38 under section 54 (a) and 55 of the Local Board Act in force by me. One Mr. Abdul Kareem Sab bin Mohamed Hasham of Sagar has taken the contract. I came to Jog on 21st October 1938 to select a place for the purpose in consultation with you but could not meet you as you were not there.

The Sanitary Inspector, Sagar, was instructed to go to Jog and select a place for the purpose in consultation with you and show the spot to the contractor.

The Sanitary Inspector, Sagar reports in his No.235 dated 2-12-38 that he approached the Engineer on 1-12-38 and that he was instructed by you that you would send communication to the Board in the matter and so he returned to head-quarters with the contractor.

Under the circumstances, I request you to kindly cause to select a place for opening a Mutton Stall there and intimate to me the place so selected.

As the contractor is urging for opening stall there I request the favour of an early reply in the matter.

GOVERNMENT OF MYSORE
ELECTRICAL DEPARTMENT

OFFICE OF THE CHIEF ELECTRICAL ENGINEER,
Bangalore, 3rd 4th March 1939.
(MYSORE, S. INDIA,)

From

S. G. FORBES, ESQ., E.E., B.Sc., E. & M.E., MEM. A.I.E.E.,
CHIEF ELECTRICAL ENGINEER,
TO THE GOVERNMENT OF MYSORE.
BANGALORE.

To

The Secretary to Government,
Local Self Department,
B a n g a l o r e.

Sir,

I have your letter No.L 6564 dated 21st February 1939 and in reply I have the honour to state that the area at Sivasamudram, at present under the control of this Department, belonged to the Jagirdhar of Sivasamudram. Government acquired the land required by this department from time to time and handed over the same to this Department. Ever since complete control over the area is exercised by the Electrical Department, there are no shops at Sivasamudram, as a Co-operative Stores caters for the requirements of the people of the Colony in a complete manner. A butcher has been permitted to carry on the sale of mutton at the above place under the supervision of the Local Officer of the place and he has been permitted on conditions that he sells good meat at reasonable price and should vacate the place immediately the General Superintendent, Sivasamudram desires him to do so for any reason. Up to now, the District -- Board of Mysore, or no other Authority has sold by public auction any stalls to be opened at Sivasamudram and therefore

a separate sanction for the control of the areas was not sought for.

In the case of Shimshapura, I am enclosing a copy of a letter received from the Chief Conservator of Forests which is self explanatory. After the area under reference was handed over by the Forest Department to this Department, similar control is being exercised. Shops and Hotels have been permitted to be opened in the area, under similar conditions as are imposed on the butcher at Sivasamudram as there is no Co-operative Stores at present at Shimshapura, and up to now the District Board or no other Authority has sold any stall by public auction at the above place. Virtually this Department is exercising all the control in keeping out undesirable persons beyond the contageous distance from the works at the place.

In the case of Jog, the Forest Department also have been addressed to disafforest the area referred to in my letter, but as the President of the District Board, Shimoga, sold the mutton stall to be opened at Jog, by public auction, the present reference was made to you so that no other Authority could permit shops etc., in the area referred to in the interest of the works as stated in my letter No.16206-7 dated 12th/23rd January 1939, for which sanction of Government may kindly be obtained and communicated.

If you consider that a similar separate sanction of Government is necessary in connection with the area under control by this Department at Sivasamudram and Shimshapura, I shall arrange to forward the necessary plans therefor to enable you to obtain sanction of Government in the matter.

In this connection, I have to state that the District Board President has intimated that pending sanction of --

Government, no other sale will be effected by him and desires that particular person who obtained the right to sell mutton, in a public auction conducted by him for the period of eight months from 1-11-1938 to 30-6-1939 ~~and~~ be permitted to carry on his business. This has been done to avoid inconvenience to the District Board.

Early orders of Government are requested.
